

# AUDA StreetScape Update

September 9, 2009

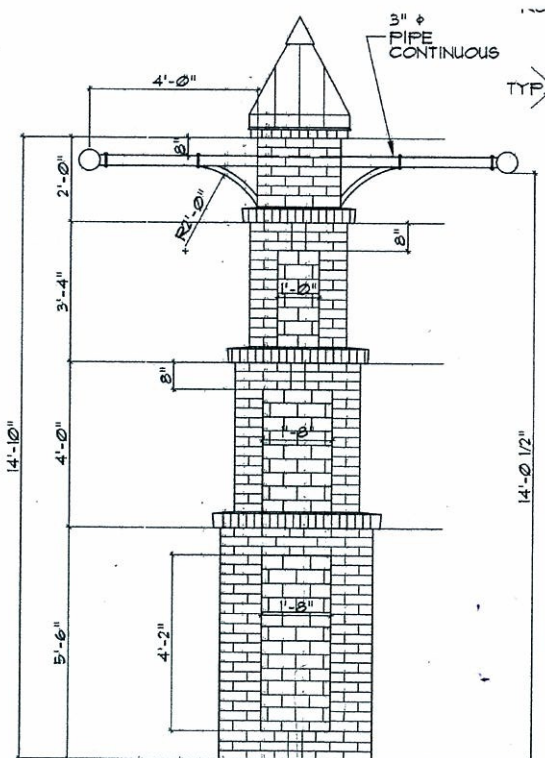

## CONSTRUCTION PROJECT UPDATE

From September 9th–16th, please anticipate construction work primarily in the work zones. Linden Avenue has been re-opened to traffic. Traffic will be closed on Lewis St due to street excavation. Please anticipate periodic traffic detours for southbound traffic on High Street to facilitate construction work.

Pacific Gas & Electric underground work continues this week. The undergrounding work continues in the Elder's Parking Lot and in front of Big O Tires.

Cook Engineering plans to have the 15 feet tall monument completed by the end of the construction week. Work

commenced on the handicap ramps and sidewalk concrete work in front of Wiz Wire. Laying of the brick pavers in front of the business between Linden Ave and Lewis St will start this week. Construction continues on the traffic signal poles. Cook anticipates pouring the sidewalks starting on September 16th.

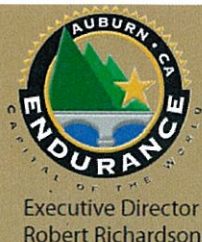

Cook Engineering remains ahead of the construction schedule. Cook Engineering anticipates the work zones to shift to the other side of High Street between Elder's Bus Station and Wildflower by the end of September.

Please remember that businesses are open during construction and there is public parking located on Lincoln Way near Elder's, near Depoe Bay and near E. Placer St.

Public meetings are being held every Tuesday at noon in front of Froggs where questions can be addressed. The merchants and public are encouraged to attend.
